Chaplain Lists Items To Send New Soldiers

FORT ORD, CALIF.—Chaplain W. W. Morgan of the 10th Engineer has prepared a six-point plan for enabling the "folks back home" to make their soldier boy in camp happy.

His suggestions are:

1. Mail is a big thing in the life of a young man in camp. He should receive a letter or two every week.

2. Laundry is a difficult problem. Send a washcloth or a pair of socks now and then.

3. A little candy now and then is good. In cold paper.

4. A soldier cannot always get to a post office. Send a book of stamps.

5. Send the home-town paper.

6. Resolve to send a little package every week. Send one thing at a time—tobacco, razor blades, camp life for change of life.

Holliday Lake Is Drawing Record Crowds; Estimate 1,800 in Crowd Last Sunday

Nazi Skipper

With mid-summer weather making summer sports doubly attractive, Holliday Lake is enjoying a record attendance.

Approximately 1,800 people last Sunday afternoon, according to "Bill" Sprague, manager of the lake, who estimated that over 300 of this number enjoyed the bathing facilities.

Lynchburg is furnishing a major portion of the crowds at Holliday Lake, and they are enjoying bathing as well as boating, picnicking and shore recreation.

The number of boats available for rental has been insufficient to meet the demand.

Re electric line into the lake has been completed, and current was turned on last Saturday afternoon.

Many family reunions and picnics were held on the spacious grounds, and the swimming pool was crowded.

It is expected that a record crowd will spend the Fourth of July at Holliday Lake. There has been a nice attendance so far this season from the Washington, D. C. area.

There have been a number of accidents about the dock, and the ground into the lake. There is some work on the dock to curb the dust may be undertaken.

\$100 Reward is Offered For Murder Information

With no arrests made yet, and investigation yielding little information, a reward of \$100.00 has been offered for information leading to the arrest and conviction of the person who shot and killed Mrs. Robert Ransome Davis, of Pamplin, Va. last Wednesday, June 18.

As we go to press, we are handed the following notice by Sheriff H. W. McKinney:

REWARD The Board of Supervisors of Appomattox County, and recent Town of the Town of Pamplin, Va., are offering a reward of ONE HUNDRED DOLLARS, (\$100.00) for information leading to the arrest and conviction of the person who shot and killed Mrs. Robert Ransome Davis, at her home, on Pamplin, near Pamplin, Appomattox County, Va.

H. W. McKinney, Sheriff of Appomattox County, Va.

Mrs. Davis was killed instantly when she was shot in the back by a shot from a gun taken from her own home. Her body was not found until Thursday morning. She lived alone, about one mile west of the town of Pamplin. Since the shooting, county officers have tracked down all information unearthed, but have made no arrests.

The gun was found near the house, but yielded no finger-prints.

4-H Club Camp At Holliday

On Monday June 30, through July 5, 4-H club members 15 years and above, will meet at Camp Holliday for the week.

Representatives from Appomattox, Campbell, Buchanan, Prince Edward, Charlottesville, Cumberland and surrounding counties will attend. A very interesting program has been arranged. Swimming will be one of the chief diversions of the week, and a life guard will be on duty all the week.

Activities, which play a big part in camp life, will be: stork, wood camp, law, notebook, leather work, and each member a choice from the list. It is hoped that the 4-H members of Appomattox county will avail themselves of the opportunity which this camp offers, and that the county will be well represented during this camp week.

Mrs. Mary Moorman, Campbell county home agent, will have charge of the girls.

The week of July 14-19, has been set aside for the junior members of the State Defense Council to attend. Counties which will be represented at this time will be: Appomattox, Cumberland, Charlottesville, Prince Edward and Bedford.

Mrs. E. G. Anderson, home demonstration agent, will have charge of the girls that week.

BUY COAL, SAYS COUNCIL

An early purchase of next winter's coal has been urged on Virginians by the State Defense Council. The Council says such a policy will help promote the National Defense program by freeing railroads of heavy fuel traffic, by conserving purchasing power, and by removing the summer surplus of the type of coal used in homes.

Methodists to Have Training School Here

Methodists of the Appomattox circuit, participating in the annual Workers' Training School, will be conducted at the Memorial Methodist church, for four evenings, starting Monday. Gilliam is pastor, and the Memorial church, of which the Rev. L. C. Cheater is pastor.

Announcement has been made that two courses out of the regular Methodist training series will be offered this year, as follows:

Appomattox Gets Back Into Skyline Race

Appomattox hoisted itself back into the Skyline League standings last night, with a four to one victory over Bedford in the Lynchburg city stadium. Some 600 fans saw the game, which put Appomattox only one game behind the league-leading Buena Vista team. Last night's game was a play-off of a postponed game. It developed into a close pitcher's battle, between Specs Garber of Appomattox and Gamaliel Draper of Bedford.

Appomattox won twice in the first inning, off one hit, a walk and two errors. Bedford tied up the game the third inning, on an error and three hits.

Vernell Mitchell and Rick Hawkins won the ball game for Appomattox in the seventh. Leftwich threw a base on balls with one out. Mitchell knocked clean single through the Bedford infield, and went to second as Leftwich took third on the play. Hawkins went in to bat for Leftwich, and got a single, driving in the winning runs.

Appomattox defeated Pinoy River here last Saturday, but lost Sunday afternoon at Glasgow.
